

## § 411.595

send the request for reconsideration to the PM. The PM will forward to us the request for reconsideration and a recommendation. We will notify the State VR agency of our reconsidered decision in writing.

(c) An EN (including a State VR agency) cannot appeal determinations we make about an individual's right to benefits (e.g. determinations that disability benefits should be suspended, terminated, continued, denied, or stopped or started on a different date than alleged). Only the beneficiary or applicant or his or her representative can appeal these determinations. See § 404.900 *et seq.* and 416.1400 *et seq.* of this chapter.

(d) Determinations or decisions we make about a beneficiary's right to benefits may cause payments we have already made to an EN (or denial of payment to an EN) to be incorrect, resulting in an underpayment or overpayment to the EN. If this happens, we will make any necessary adjustments to future payments (see § 411.555). See § 411.555(c) for when we will not make an adjustment in a case in which an overpayment results from a determination or decision we make about a beneficiary's right to benefits.) While an EN cannot appeal our determination about an individual's right to benefits, the EN may furnish any evidence the EN has which relates to the issue(s) to be decided on appeal if the individual appeals our determination.

## § 411.595 What oversight procedures are planned for the EN payment systems?

We use audits, reviews, studies and observation of daily activities to identify areas for improvement. Internal reviews of our systems security controls are regularly performed. These reviews provide an overall assurance that our business processes are functioning as intended. The reviews also ensure that our management controls and financial management systems comply with the standards established by the Federal Managers' Financial Integrity Act and the Federal Financial Management Improvement Act. These reviews operate in accordance with the Office

of Management and Budget Circulars A–123, A–127 and Appendix III to A–130. Additionally, our Executive Internal Control Committee meets periodically and provides further oversight of program and management control issues.

## § 411.597 Will SSA periodically review the outcome payment system and the outcome-milestone payment system for possible modifications?

(a) Yes. We will periodically review the system of payments and their programmatic results to determine if they provide an adequate incentive for ENs to assist beneficiaries to enter the work force, while providing for appropriate economies.

(b) We will specifically review the limitation on monthly outcome payments as a percentage of the payment calculation base, the difference in total payments between the outcome-milestone payment system and the outcome payment system, the length of the outcome payment period, and the number and amount of milestone payments, as well as the benefit savings and numbers of beneficiaries going to work. We will consider altering the payment system conditions based upon the information gathered and our determination that an alteration would better provide for the incentives and economies noted above.

## Subpart I—Ticket to Work Program Dispute Resolution

### DISPUTES BETWEEN BENEFICIARIES AND EMPLOYMENT NETWORKS

## § 411.600 Is there a process for resolving disputes between beneficiaries and ENs that are not State VR agencies?

Yes. After an IWP is signed, a process is available which will assure each party a full, fair and timely review of a disputed matter. This process has three steps.

(a) The beneficiary can seek a solution through the EN's internal grievance procedures.

(b) If the EN's internal grievance procedures do not result in an agreeable solution, either the beneficiary or the EN may seek a resolution from the PM. (See § 411.115(k) for a definition of the PM.)
